Good Afternoon

Some of you may already know about or perhaps have been invited to Mr. Joe Patten's apartment this Friday afternoon.

In view of our upcoming meeting on the 30th during which all elements of the lease agreement will be reviewed it is strongly recommended that Board members should not attend this event. This is particularly important in light of the fact that recent correspondence from Mr. Patten's attorney has instructed Atlanta Landmarks to deliver all correspondence through the attorney and specifically instructs us not to speak directly with Mr. Patten. Anyone attending the Friday afternoon event would be acting against the directive issued by Mr. Patten's attorney.

It is unfortunate that Mr. Patten's actions in informing the press and arranging the Friday afternoon event have made this a seemingly contentious issue. This was never the goal and I look forward to seeing you on Monday so that you may be provided with clarification.

As always, if you wish to speak with me you are welcome to call me at 404-372-2387.
